

COVID-19 MAY REQUIRE CHANGES TO THE SUPER SENIOR DEMAR

We hope everything will go as planned but please be aware of the following:

- ◆ If you are not comfortable doing the final 1.2 miles with the group on race day, you can do the distance virtually in your neighborhood. You will still receive your t-shirt and medal.
- ◆ We may well end up completing the last 1.2 miles virtually depending on the status of the virus.
- ◆ Hillside Village is catering the dinner. If we are unable to gather as a group, there will be another appropriate way to celebrate this event.
- ◆ Before dropping off your registration form at The Senior Center, please check to see if the center is open: phone them (603-352-5037). If they are closed please mail your paperwork (The Keene Senior Center, 70 Court Street, Keene, NH 03431).
- ◆ Distribution of shirts and bib numbers will depend on whether The Senior Center is open. We will let you know how shirts and bibs will be handed out at a later date.
- ◆ We will update you with changes as they occur. Now is a great time to get out and walk, get your miles in and enjoy this beautiful weather.
- ◆ Happy walking!
